## **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2016

Supplier's name or trademark: NABO

Supplier's address: Harterfeldweg 4, 4481 Asten, AT

Model identifier: KGS 2051

## Type of refrigerating appliance:

| Low-noise appliance:    | No | Design type:                   | freestanding |
|-------------------------|----|--------------------------------|--------------|
| Wine storage appliance: | No | Other refrigerating appliance: | Yes          |

## **General product parameters:**

| Parameter                                                                           |        | Value | Parameter                                                                           | Value                     |
|-------------------------------------------------------------------------------------|--------|-------|-------------------------------------------------------------------------------------|---------------------------|
| Overal                                                                              | Height | 1430  |                                                                                     |                           |
| dimensions<br>(millimetre)                                                          | Width  | 545   | Total volume (dm³ or l)                                                             | 206                       |
|                                                                                     | Depth  | 555   |                                                                                     |                           |
| EEI                                                                                 | EEI    |       | Energy efficiency class                                                             | F                         |
| Airborne acoustical noise emissions (dB(A) re 1 pW)                                 |        | 40    | Airborne acoustical noise emission class                                            | С                         |
| Annual energy consumption (kWh/a)                                                   |        | 215   | Climate class:                                                                      | temperate,<br>subtropical |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable |        | 16    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 38                        |
| Winter setting                                                                      |        | No    |                                                                                     |                           |

## **Compartment Parameters:**

|                          |     |                                     | Compartment parameters and values                                                                                                                       |                                  |                                                             |
